

Total Care Services, Inc.

Helping Others Meet Life's Challenges

IN-HOME SUPPORT SERVICES

"Committed to Providing Quality Care"

IN-HOME SUPPORT SERVICES are provided to eligible persons in:

- their home
- their family home or
- the home of an unpaid caregiver

In-Home Support Services provide periodic support to assist the primary caregiver and/or to enable the person to live independently to the fullest extent possible.

Staff Assists with:

- mastering and retaining daily living skills
- managing behavior issues and
- attending social outings in the community

Specific Support Services Include:

- Training in activities of daily living and independent living skills
- Assistance with performing personal care tasks
- Assistance with light household tasks
- Training and support in using community resources
- Training and assistance with monitoring of health, nutrition, and physical condition

*Our Person-Centered approach supports **YOUR** choices through planning and empowerment.*
